

Join Zoom on a phone

You will be asked to install Zoom

It might look different on your phone.

First, follow the invitation link we have sent you:

<https://us02web.zoom.us/>

Select **Download from Zoom**

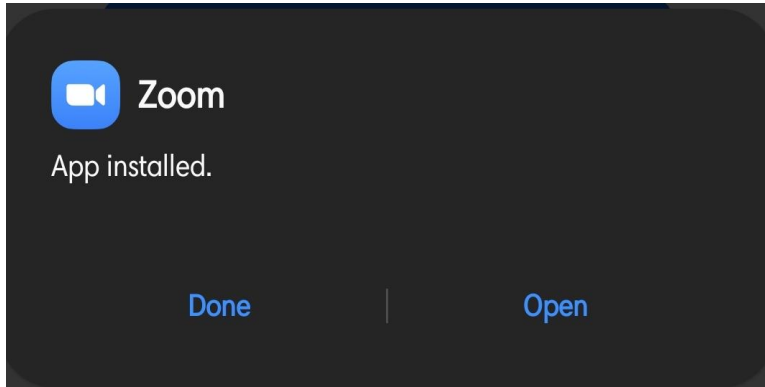

You will see **Open** at the
bottom of the screen

Select **Open**

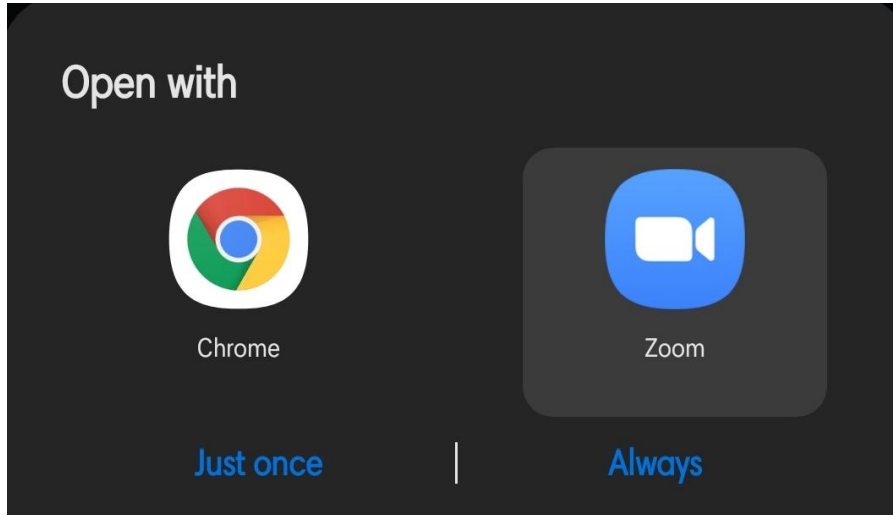

The installation will start

A message will confirm
the app is installed.

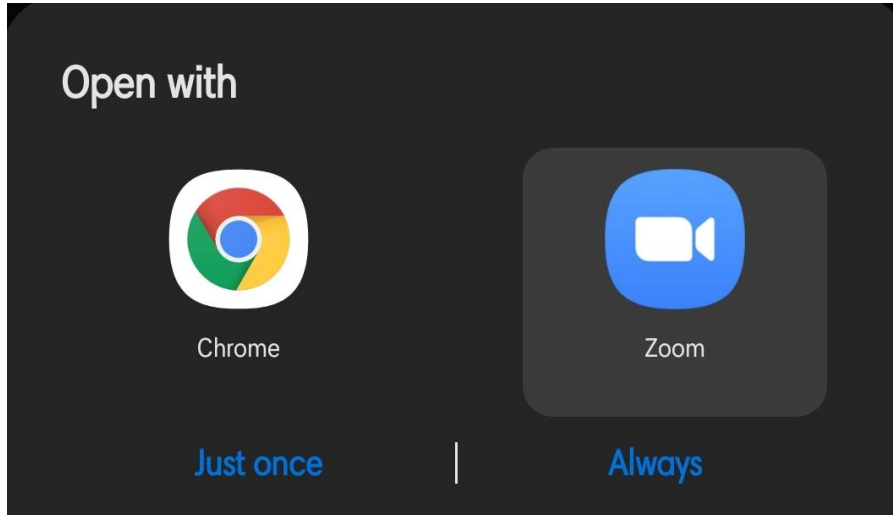

Select **Done**

Go back to the Zoom link and select it again.

You'll be asked if you want to:

Open it with Zoom or with your browser.

Open it with Zoom

○ Preparing meeting...

Please enter your name

Your Name

Cancel OK

Enter your name.

This is something the
others in the call will see

 Connecting...

To use Zoom, you need to agree to the Terms of Service and Privacy Policy.

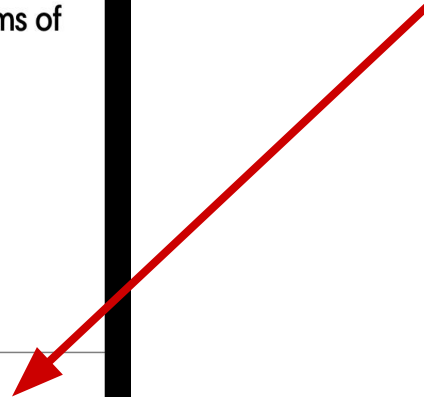

[Terms of Service](#)

[I Agree](#)

Agree the conditions

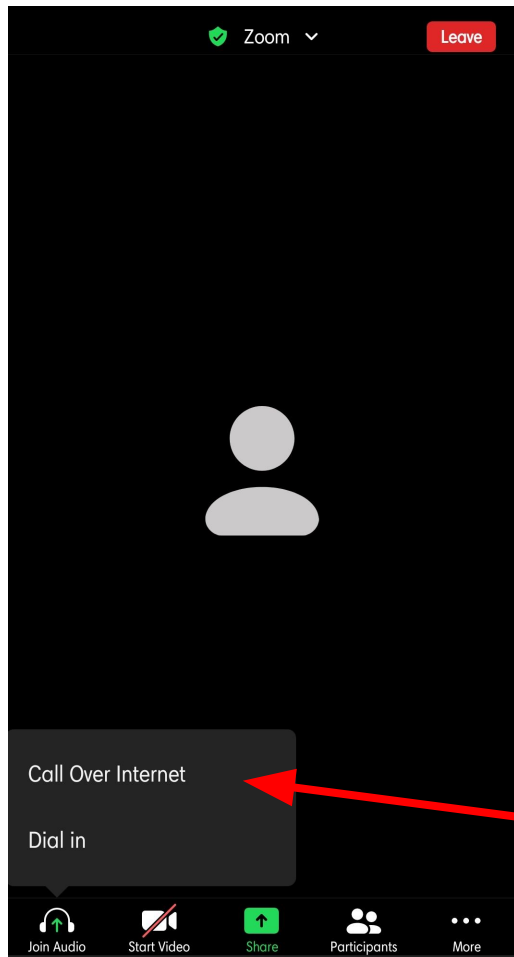

You are in the call

To join with audio so others
can hear you:

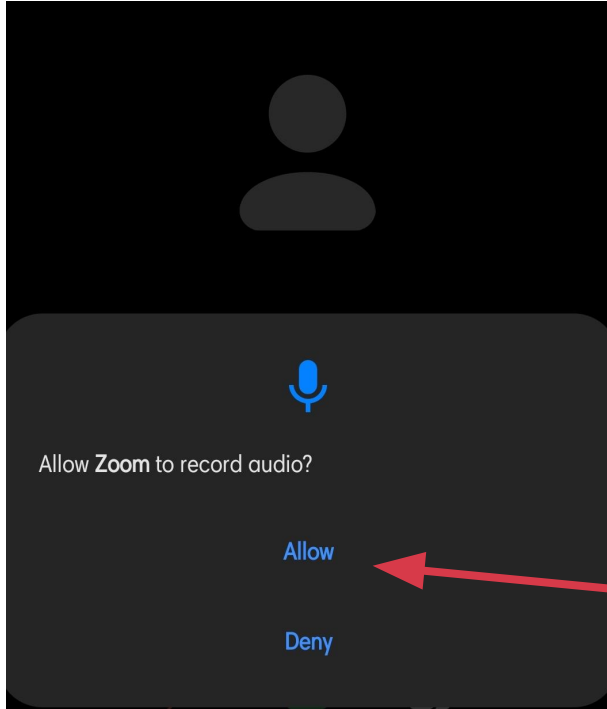

Tap on **Join Audio**

To join with audio so others
can hear you:

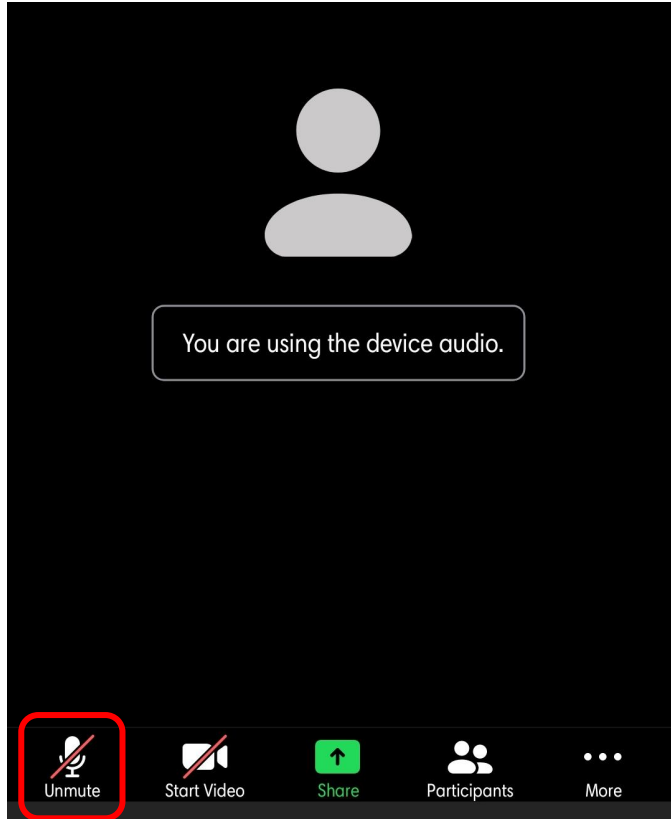

Tap on Join Audio

Select **Call over Internet**

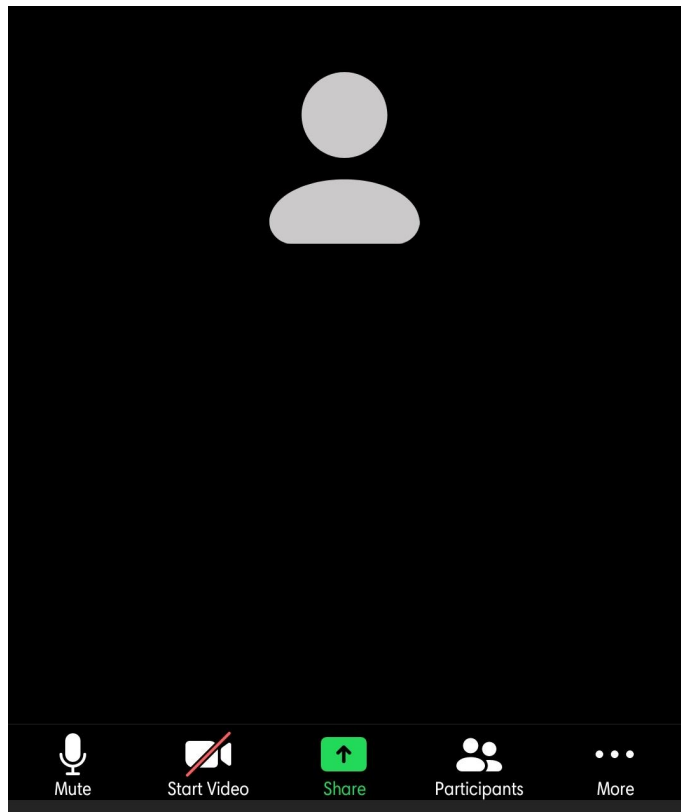

You need to allow Zoom
to record

Select **Allow**

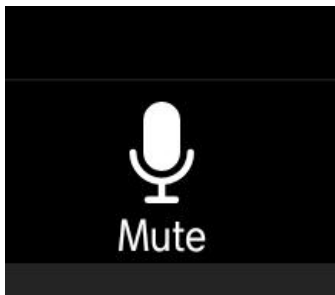

You will see a message
confirming your audio is
connected

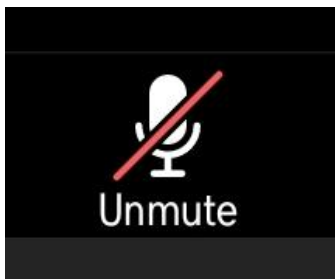

Tap on **Unmute**

People can now hear you

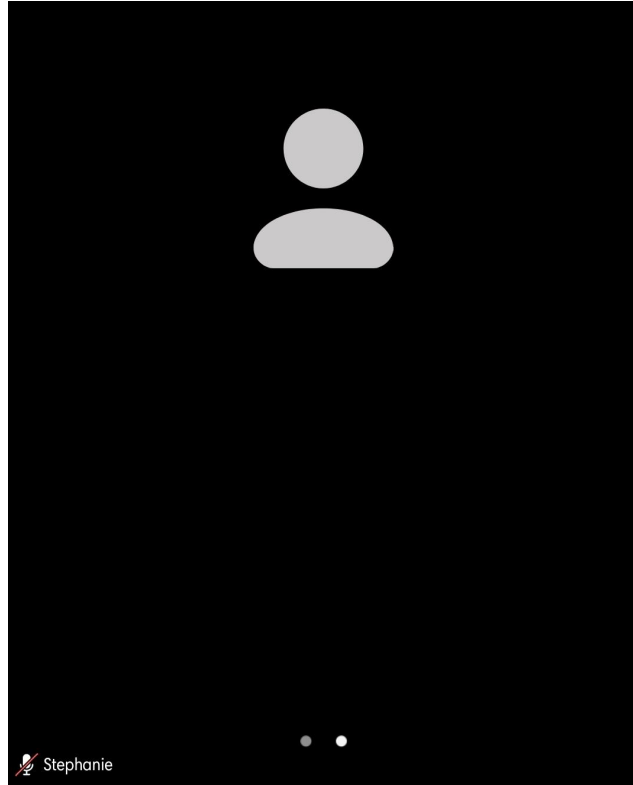

People hear you

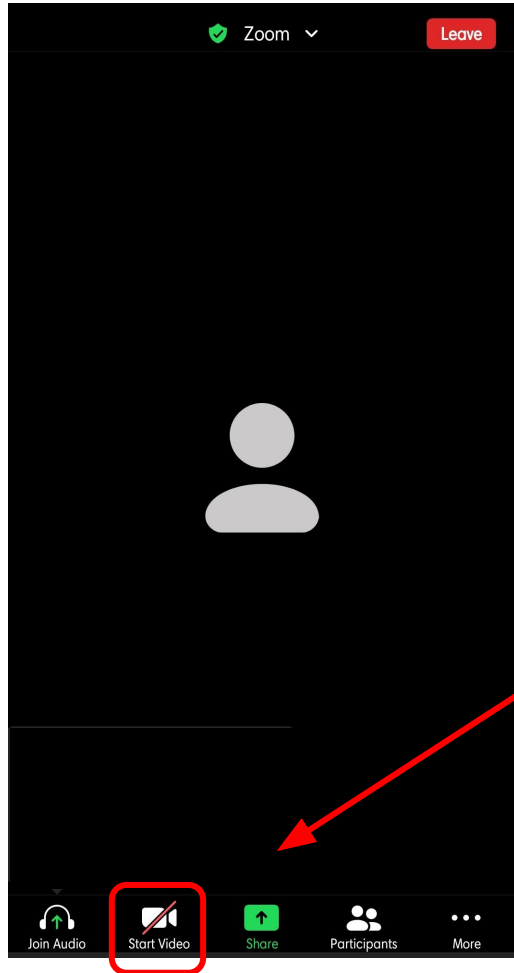

People can not hear you

If you are not speaking, it's best to select Mute

If you don't do anything,
the menu will disappear

Tap anywhere to see the
menu at the bottom again

To join with video so others
can see you

Tap on **Start video**

You need to allow access to your camera

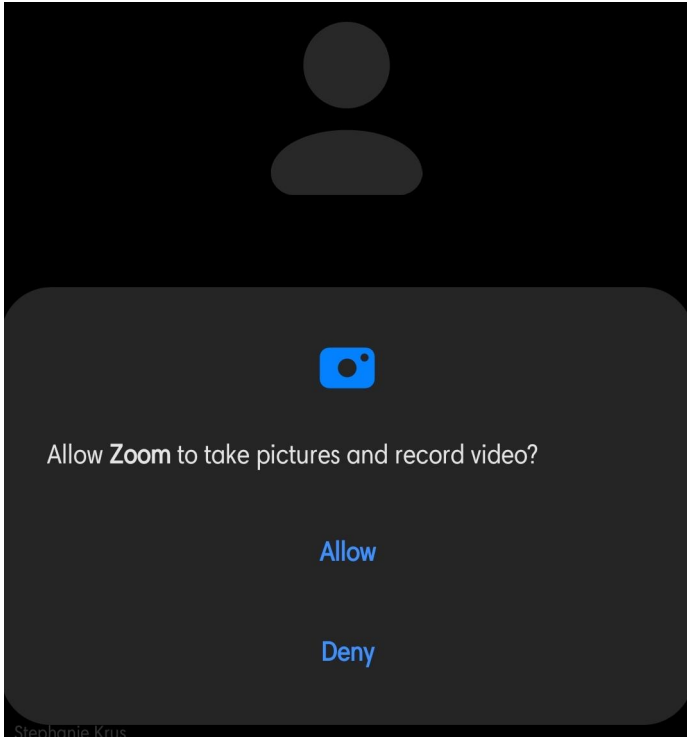

Please allow Zoom access permission.

For the best meeting experience, Zoom may ask to access to your microphone, camera, and storage.

Got it

Select **Got it**

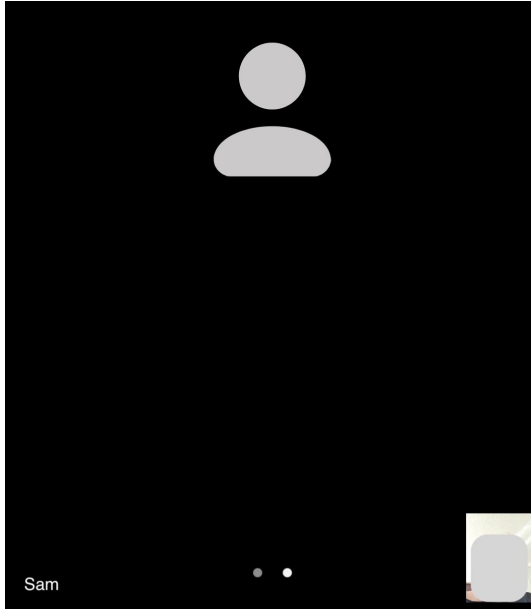

You need to allow access to your camera

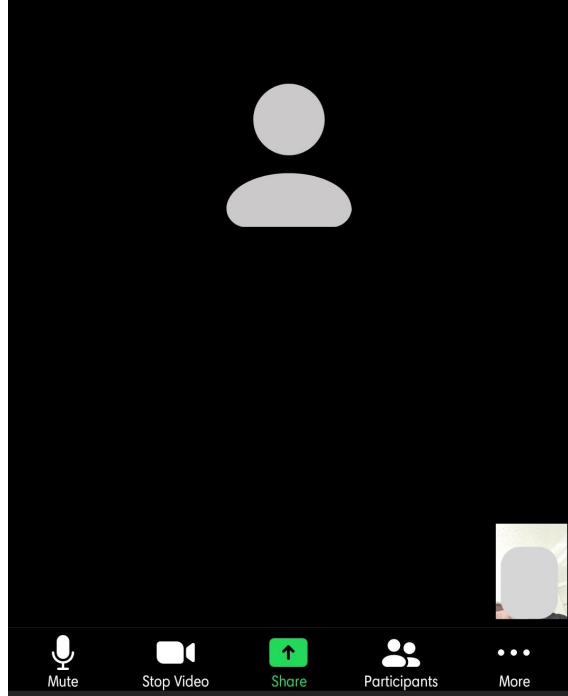

Select **Allow**

You will see yourself at the
bottom of your screen

People in the call see you too

To see the bottom menu
again

Tap anywhere on the screen
