Later	Join

You will see a number
for the room.

When asked to join a breakout room

The host is inviting you to join Breakout Rooms: Breakout Room 1	
Later	Join

Select **Join**

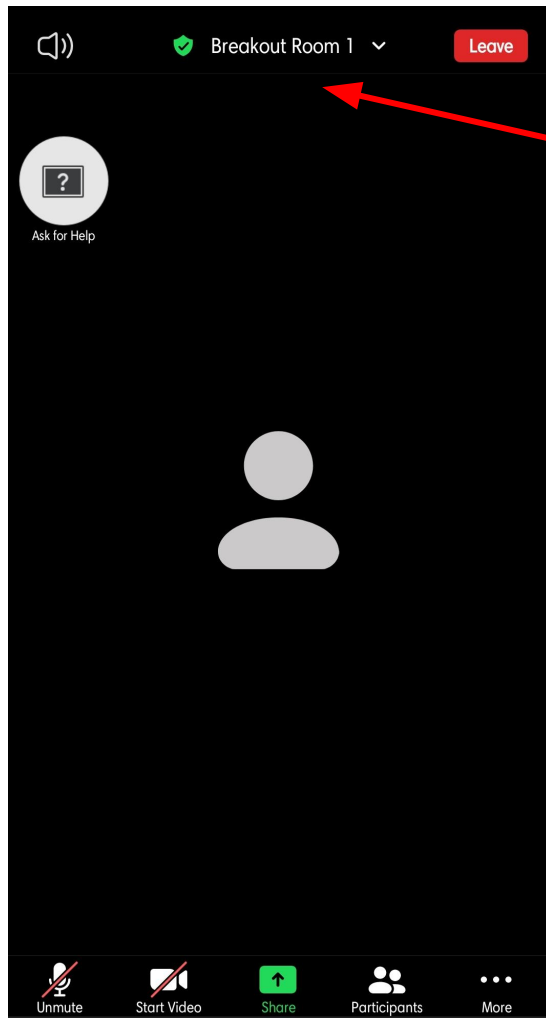

Joining Breakout Rooms...
Breakout Room 1

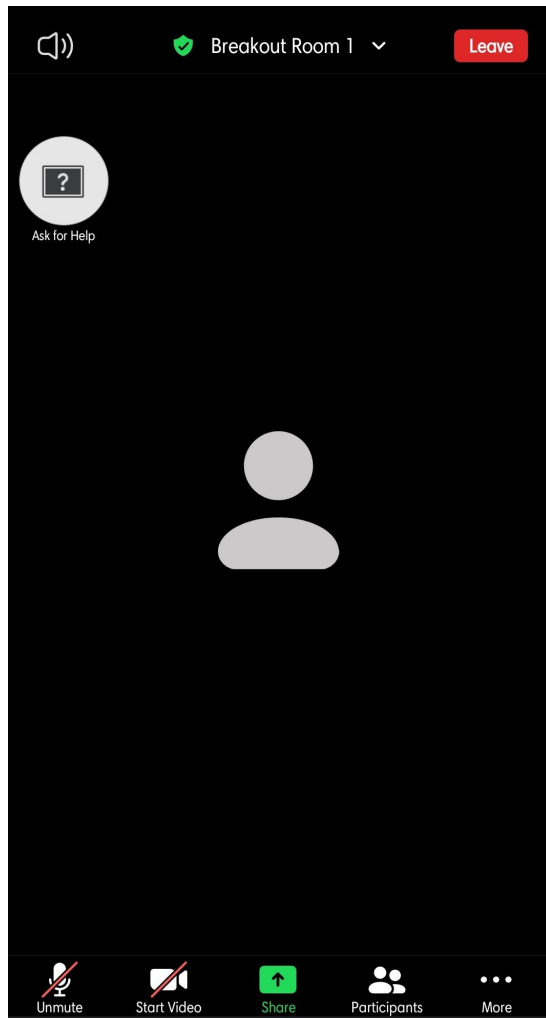

This may take a few moments.

You will see a message,

You will have to wait a little

You are in Breakout room 1

You are in Breakout room 1

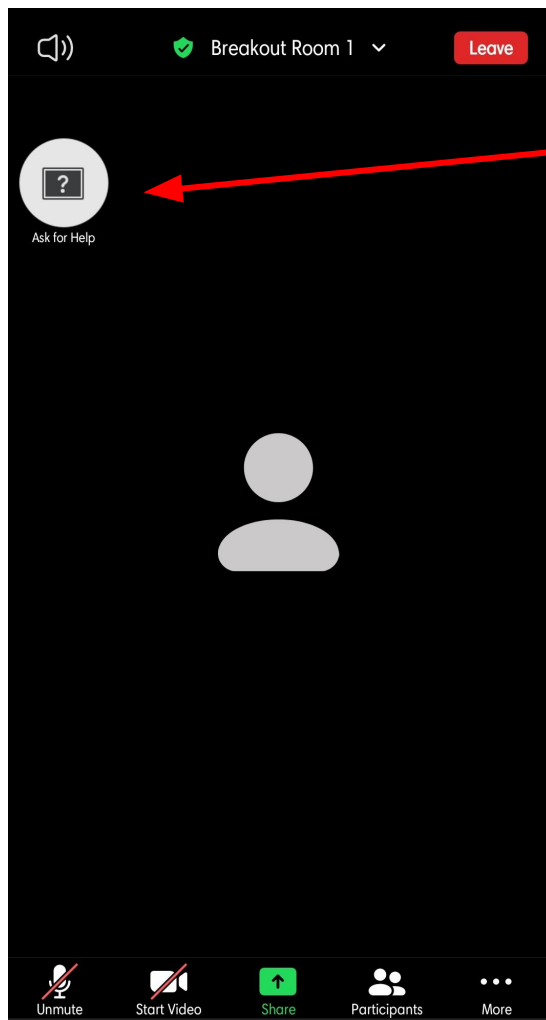

You can share your screen

or use the chat

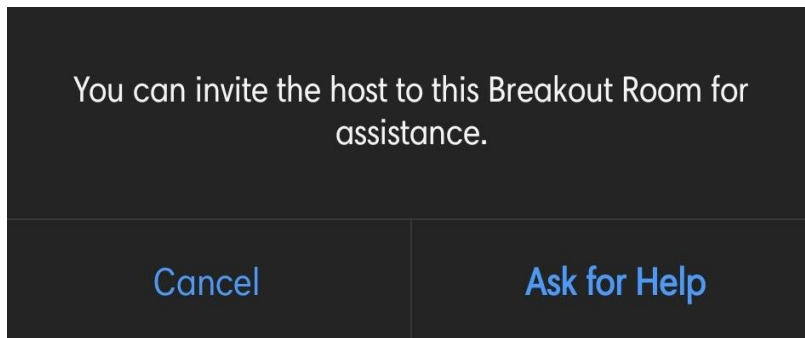

But only the people in

breakout room 1 will see it

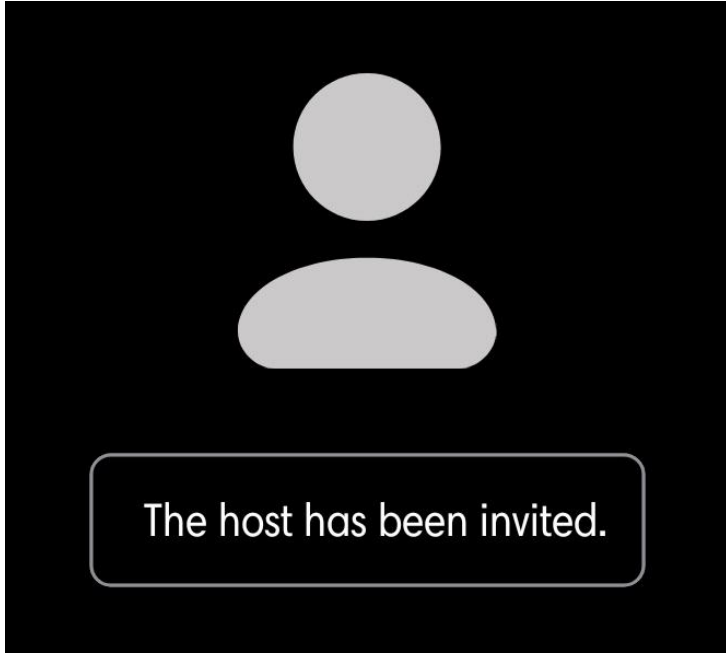

You can ask for help

You will see a box where you can ask the host
for assistance

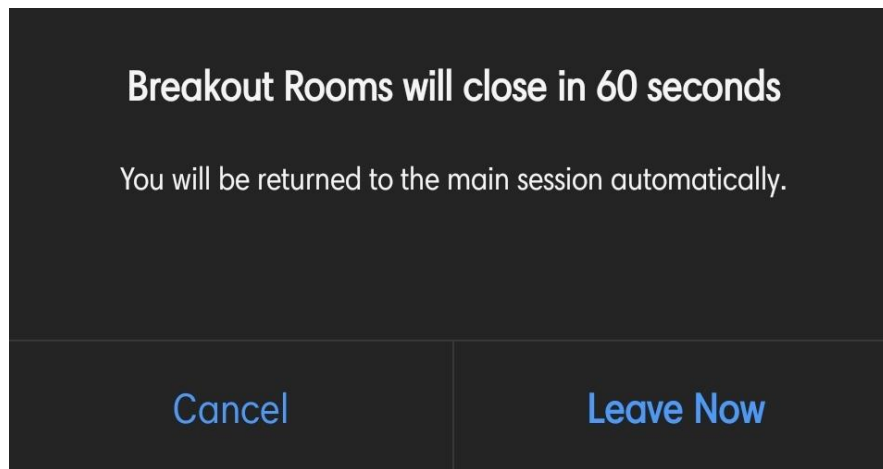

Select **Ask for Help**

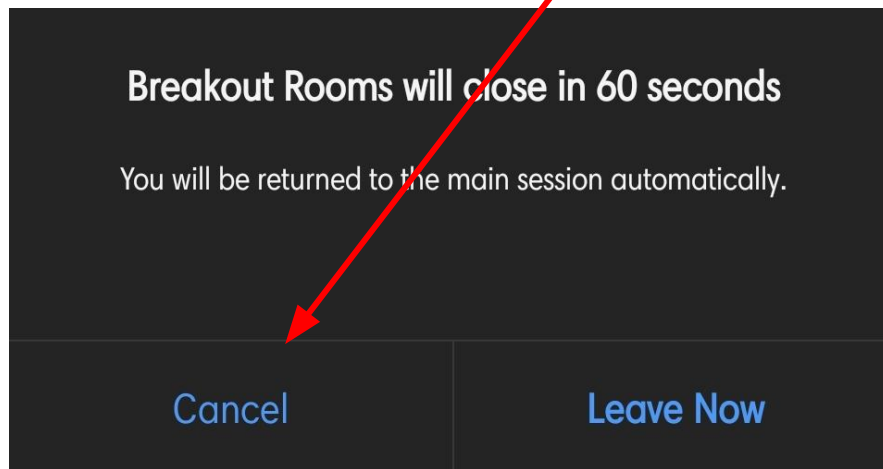

A message will tell you
that the host has been
invited to your breakout
room

When the breakout room is about to close

You will see a warning:

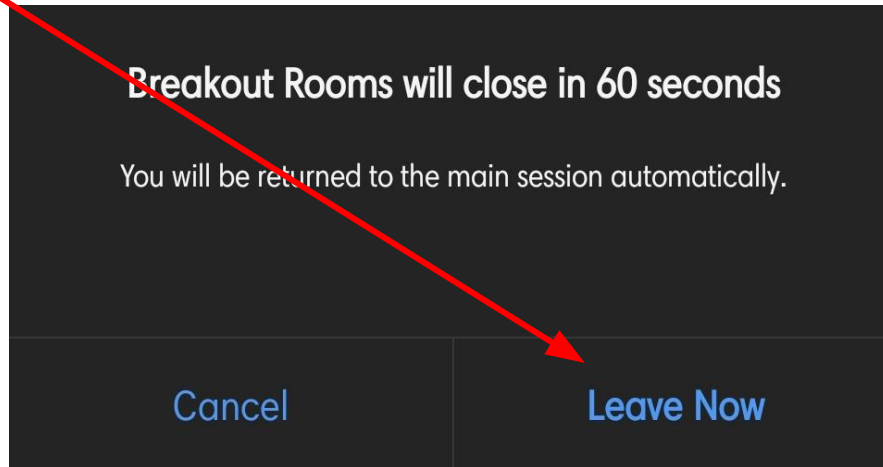

You can stay a bit longer: tap **Cancel**

You can stay a bit longer or leave

Tap **Leave Now**

Returning to Main Session...

This may take a few moments.

You will see a message,

You will have to wait a little

You will be back in the main call with everyone else
