# Join Zoom breakout rooms

A breakout room is like a smaller meeting with some people from the call
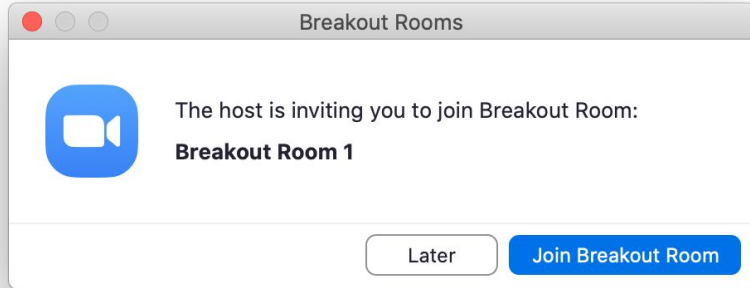

You will be invited to join a room

# When asked to join a breakout room

You will see a number

for the room.

When asked to join a breakout room

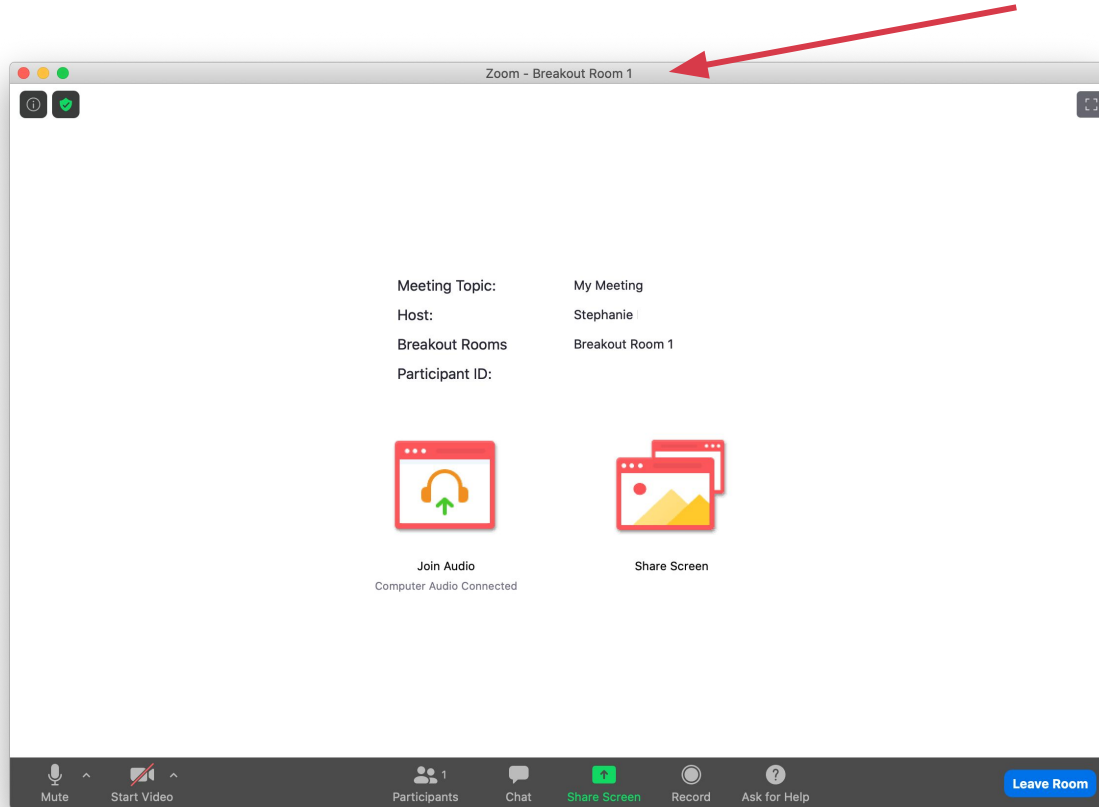

Select Join Breakout Room

You will see a message,

You may have to wait a little

A message will confirm you are in the room

You are now in a Breakout Room

You are in Breakout room 1

Zoom - Breakout Room 1

Meeting Topic: My Meeting
Host: Stephanie
Breakout Rooms   Breakout Room 1
Participant ID:

Join Audio
Computer Audio Connected

Share Screen

Mute   Start Video   Participants 1   Chat   Share Screen   Record   Ask for Help   Leave Room
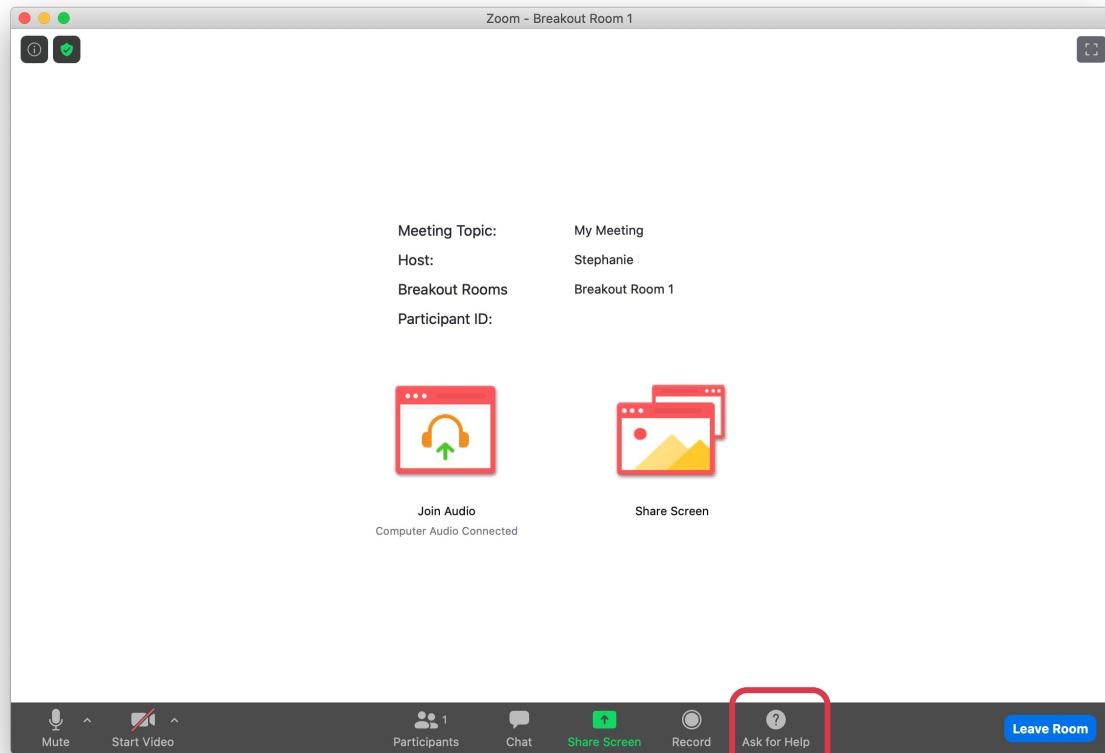

You can do the same things in the breakout room:
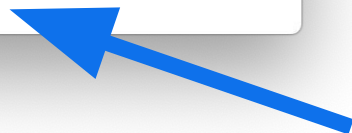

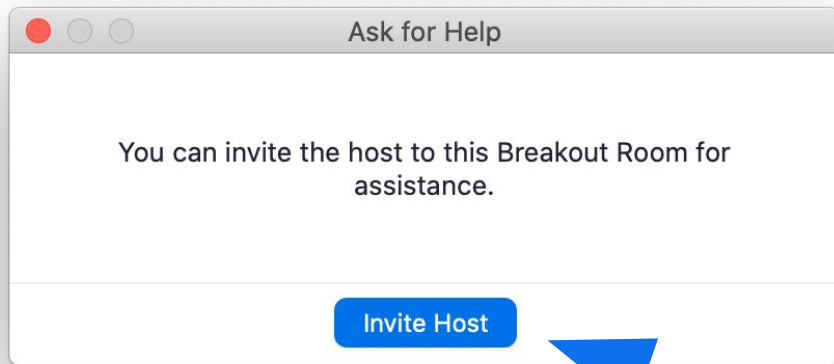

You can share your screen

or use the chat
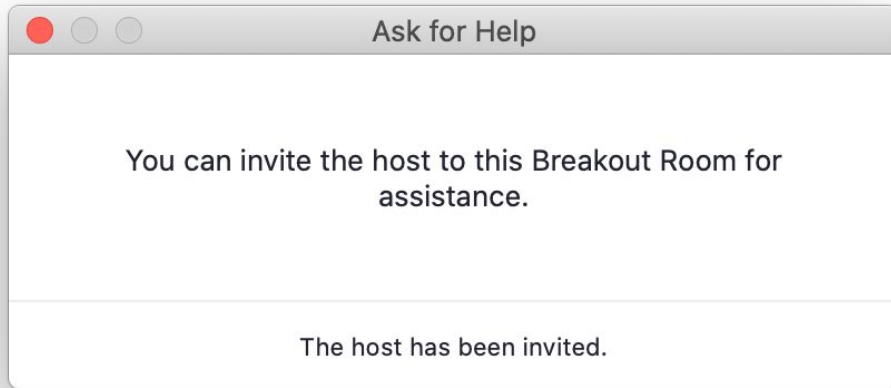

But only the people in the room with you will see it

You can ask for help

You will see a box where you can ask the host
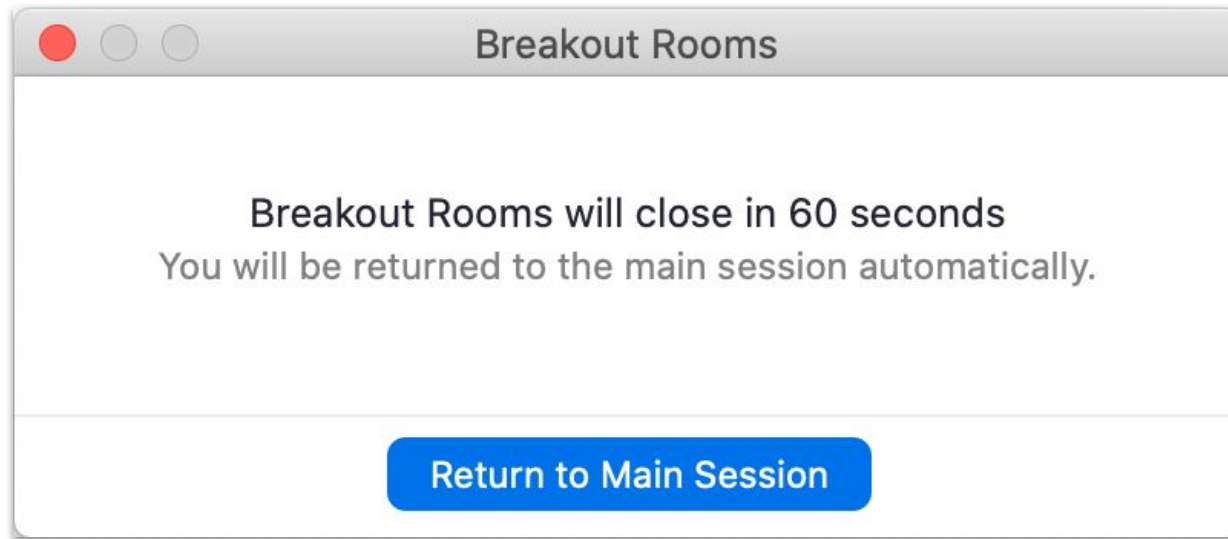

for assistance

Select Invite Host

A message will tell you that the host has been

invited to your breakout room

# When the breakout room is about to close

You will see a warning:

You can stay a bit longer:

just close the window or return, select Return
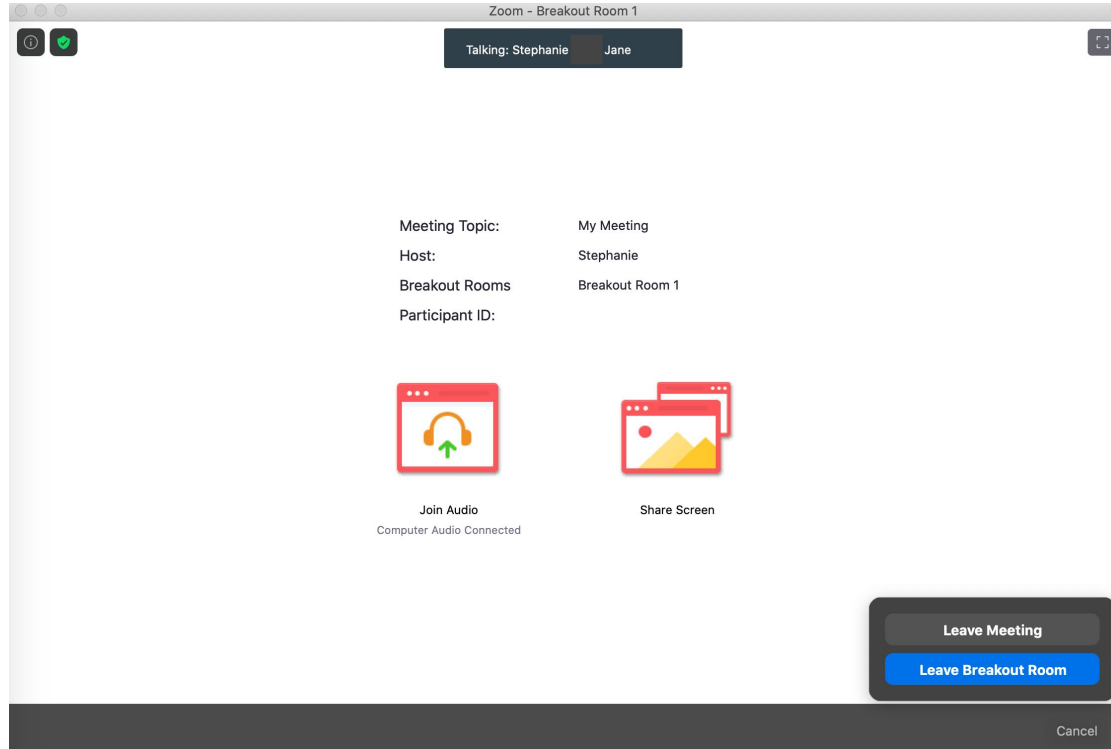

You will see a message,

You may have to wait a little

You can leave the breakout room at any time

Not only when you are called back

You can leave the breakout room at any time

Select: Leave

Breakout Room

You will be back in the main call with everyone else
